

Radionet3-proposal: Selection Committee Meeting JRA/NA, 10/08/2010

Max-Planck-Institut für Radioastronomie, Bonn

– Evaluation Results of the Networking Activities–

Selection Committee: F. Mantovani (Chair RadioNet2), A. Zensus (Co-ordinator proposal RadioNet3), H. van Langevelde, P. Cox, R. Laing, E. Limiti, S. Rawlings, L. Testi, M. de Vos

NA Radio Astronomical Spectrum Management; Sender: A. Jessner

The Committee feels that only the meeting component of this NA should be maintained. The budget was set to 50.000€.

The training proposed in this NA could be subject in the NA New Skills for Radio Astronomers. The PI is encouraged to seek contact with the PI of this NA.

Networking Activities – Received Short proposals

NA	Submitted by
<i>RadioNet3 Management</i>	A. Zensus
<i>Science Working Group</i>	<i>T. Venturi</i>
<i>New Skills for Radio Astronomers</i>	<i>A. Richards</i>
<i>Radio Astronomical Spectrum Management</i>	<i>A. Jessner</i>
<i>European Technical Forum (ERATec)</i>	<i>R. Keller</i>
<i>NEW: Long-term Perspective (Working title)</i>	Receiver: <i>H. van Langevelde, M. Garrett, S. Varano & A. Zensus</i>
<i>Structuring European Radio Astronomy (SERA)</i>	<i>M. Garrett</i>
<i>The European Ambitions in Radio Astronomy</i>	<i>H. van Langevelde</i>
<i>VC-Net</i>	<i>S. Varano</i>
<i>Coordination of large survey efforts using the next generation of radio/mm instruments</i>	<i>R. Beswick</i>
<i>Synergy between Radio Observatories</i>	<i>K.-H. Mack</i>
