

DIVA is a JRA under Radionet3. It is WP 11 in the DOW.

DIVA = Developments In VLBI Astronomy

- This is the working area for the Radionet3 DIVA JRA.
- It will be used for the project management and for storing all DIVA documents.
- This area is under development and should be developed and used by all DIVA collaborators.
- Due to data privacy protection the sub-pages should in general NOT be world readable

DIVA was successfully finished in the the period of RadioNet3. All deliverables were accepted by the EU.
