

## F231A Correlation Report

### General information

- Fringe finding experiment prior to C231

### Fringes

| Station | Code | Fringes | Plots                        | Comments  |
|---------|------|---------|------------------------------|---|
| On      | X    | yes     | <a href="#">No0001_X.pdf</a> |   |
| Od      |      | yes     |                              | Onsala DBBC3 system used in parallel to the On DBBC2 system                                 |
| Mh      | Z    | yes     | <a href="#">No0001_Z.pdf</a> |   |
| Nn      | N    | yes     | <a href="#">No0605_N.pdf</a> | Noema joined on the second day of observations. There is a problem with the RL correlation. |
| Ef      | B    | yes     | <a href="#">No0001_B.pdf</a> |   |
| Ys      | Y    | yes     | <a href="#">No0001_Y.pdf</a> |   |
