

F232A Correlation Report

General information

- Finge finding experiment prior to C232A

Fringes

Station	Code	Fringes	Plots	Comments
Ef	B	yes	No0003_B.pdf	Cloudy weather during observation
On	X	yes	No0003_X.pdf	-
Mh	Z	yes	No0003_Z.pdf	-
Nn	N	yes	No0003_N.pdf	-

Notes

- Ef late on source for the first scan, also dropped out due to wind during ~10:30-11:30UTC.
- MRO dropped out at 11:30UT due to a necessary change of the receiver
- Conditions at NN were excellent during the night but worsened during the day
- Smooth sailing at ON, bad weather during the day
